Panama City Publishing Co.  
Bock Ave.  
Panama City, Florida

Attention: Mr. Cecil B. Kelley  
General Manager

Gentlemen:

We are pleased to report as follows on the recent sample of metal submitted to our laboratory for analysis.

COMBINATION METAL

Antimony.....	12.35%
Tin.....	4.40%
Copper.....	.00%
Zinc.....	.00%
Lead.....	Balance

The results have been recorded on our books and in accordance with our Newspaper Service Plan arrangement, metals of the proper formula will be shipped on receipt of your next consignment of dross.

Please rest assured of our complete cooperation at all times.

Very truly yours,

CC: H.C. Hodge, Mech.Supt .    IMPERIAL TYPE METAL COMPANY
